A HISTORICAL STATEMENT

by

Dr. L. L. Haynes, Jr.

Protestantism founded in the sixteenth century has many sources of strength that were lacking in early reform within the Roman Catholic Church. The universal priesthood of all believers, the right to read and interpret the Bible according to conscience, and the affirmation of the individual before God without right of clergy, became adaptable in many forms throughout the West and enjoyed phenomenal success in America. Separate expressions of the above principle gave rise to new Church bodies, often represented by in-groups, we call nations. Out of this religious fermentation of the Sixteenth Century came the Anglican Church in England from which John and Charles Wesley withdrew to begin the Methodist Movement that came to America in the latter part of the Eighteenth Century.

Another movement, separate in history because of its nature and events begin, in the colonies in the year of 1619. This movement called slavery, with all of its cruel and vicious forms brought the Black man to America and another separate movement began which is based upon color and race. Many denominations made their approaches to the Negro in the Seventeenth Century and much work was done to Christianize the Blackman as a slave. Among the more successful approaches were the Methodist and Baptist who because of their evangelical zeal and religious warmth and fervor characteristic of the romantic and pietistic strain in Puritanism achieved a high rate of conversions among the Blacks.

Blacks were a part of the rigging loft of Captain Webb, and were the travel companions of Asbury. Hariett Hoosier, Richard Allen were great preachers and often preached to large audiences of Blacks and Whites. Zoar Church in Philadelphia was the first church founded by White for Black Methodist in Philadelphia, Pennsylvania.

Religion in the Black experience has been called an instrument for survival. The Christian faith flourished and flowered in the Black community because it gave the slave a means by which he could endure the hostile environment of his life in America and also survive within the tensions between the ideal of Democracy and Justice and the hard realities of a broken community fragmented by color and race and denomination-alism.

Slavery destroyed the Black family along with its identity and culture which were brought from "Homeland Africa" and while used as an economic tool, the Black man was often without hope that a better day in American would ever come. The response of the White church toward slavery were many, and the Quakers and the Methodist became representative of those organized American religious bodies that made efforts to free the Black man as a slave as well as save his soul. Anti-slavery and abolitionist groups began to flourish in the 1800's and the Black Community, within the American Protestant experience, dramatically shifted to meet her needs by the formation of independent Churches in 1816 and the A.M.E. Zion in 1822 as well as organized inde-

pendent local church bodies within Black and White communities. Large groups of Blacks remain within the Methodist church in separate and segregated churches.

Throughout the South, Black people were worshipping with and within White congregations and the history of Methodist in South Carolina shows Blacks worshipping either in pews in back of churches or upstairs in the balcony, "Nigger Heaven". There was no independent Church movement among the Southern Blacks until the year 1870, with the Formation of the C.M.E. Church by the Methodist Episcopal Church South. In the year 1844, a division occurred within the Methodist Church over the issue of slavery and the Methodist Episcopal Church became divided on a geographical basis and known as the Methodist Episcopal Church, and the Methodist Episcopal Church South. Both maintained work among Black people before and after the Civil War.

In 1864, the Methodist Episcopal Church began to evangelize Blacks in the Southwest. In 1864, the General Conference charged the Missionary Conference to establish third-class missions in the United States not included in the bounds of Annual Conferences. The Mississippi Department was given the responsibility of supervising the mission work in Texas, Louisiana, and Mississippi among Black people. On December 25, 1865, the Mississippi Conference was organized in Wesley Chapel located on South Liberty Street, New Orleans, Louisiana. On December 26, James Bryant, David Dibbie, Henry Callen, Thomas Kennedy, Scott Chinn, Samuel Osborne, Anthony Ross, Hardy Ryan, Samuel Small, Emperor Williams, and William Murnel were ordained the first elders in the Conference.

The Methodist Episcopal Church continued to work among the Black people noticeably in developing institutions of higher learning. Rust College in Mississippi; New Orleans University, now Dillard in New Orleans, after a merger with Straight College; Samuel Houston, now Houston-Tillotson College after a merger with Tillotson College, and Wiley College, Marshall, Texas, were used as instruments to evangelize Black people in the Southwest. A Medical College, Flint Medical College, was established in 1901, later to become Flint-Goodridge Hospital which today is an institution associated with Dillard to train Black women in the nursing profession. Gilbert Academy established by Dr. W. D. Godman at Baldwin, later moved to New Orleans and now extinct; Sager-Brown School and Orphanage now in operation and representative of the work done by the church at the secondary school level.

Dr. Ernest Lyons, minister to Liberia; Dr. M. C. B. Mason, Secretary to the Freedman's Aid Society, Bishop Alexander P. Camphor, Missionary to Africa, Dr. A. E. P. Albert, Editor of Southwestern Christian Advocate, Dr. Walter Scott Chinn, Dr. Matthew Simpson Davage are outstanding representatives of Black leaders produced by the Conference. Bishop J. W. E. Bowens was elected in 1948 as a Bishop of the Methodist Church to administer Methodist Work in the Central Jurisdiction.

Black Methodist Church history is relevant to the new "Black revolution" that is a part of our contemporary life style. The Martin Luther King and the Civil Rights movements are a part of the social setting in which Black persons are searching for spiritual foundations for identity,

justice, and freedom. The action of the General Conference in 1968, seeking to eliminate an all-racial jurisdiction, is becoming a reality in the Louisiana Annual Conference. The Conference of 1970 will represent the last full conference in which Black will operate as a distinct conference with the racial identity determined by color. This does not mean that the long struggle to be recognized as a human being will be over, nor does it mean that the long struggle of Black people and the spiritual life style of Black people will be absorbed. A religion nurtured in long suffering will not suddenly vanish. This Christian Faith understood in the Black community will now be given a chance to be a part of the total religious heritage of mankind.

Toward this Christian goal Black Louisiana Methodists have worked and the "treasure held in Black earthen vessels" will complement the total effort of Black and White to affirm anew that there will be "One Lord, One Faith, and One Baptism".

The road ahead will not be easy for Christian in Louisiana. White paternalism and Black separatism are dead and must become relics for the antique shop. Openness to the future requires of us now a new sense of working as brothers which is made possible by the death and resurrection of Our Risen Lord who calls us to obedience and service. From a conference of Blackmen where educational status was of such a caliber that none could serve as secretary to a conference whose sons and daughters have graduated from the great universities of America and whose leadership potential has not been realized, we face the difficult days ahead unafraid.

DAILY PROCEEDINGS
ONE HUNDRED THIRD SESSION
LOUISIANA ANNUAL CONFERENCE—B
NEWMAN UNITED METHODIST CHURCH,—Alexandria, Louisiana

MONDAY, JUNE 8, 1970

9:00 A.M.—Registration of Delegates and Assignment of rooms to Committees.

10:00 A.M. - 5:00 P.M.—Meetings of Boards, Commissions, and Committees for the purpose of re-organization and discussion of matters which were legally brought before them.

MONDAY, JUNE 8, 1970

7:30 P.M.

Rev. Carl T. Wethers, Presiding

Service of Remembrance was conducted by Reverend Carl T. Wethers. Music furnished by Newman United Methodist Choir, Mrs. Percival Martin at the Organ. Roll of the honored dead was called by the Secretary of the Conference. T. E. McElroy offered prayers of comfort for members of the deceased pastors' families and the families of the deceased laymen. Rev. Carl T. Wethers led the Responsive Reading.

Reverend William R. London, Jr., delivered a beautiful Eulogy. He used as a text, Romans 8: 38-39: "For I am persuaded that neither death nor life, nor angels, nor principalities; nor powers, nor things present, nor things to come, nor heights, nor depths, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus, our Lord." He cited those brethren, who passed this year, kept responsibilities ever before them in spite of the difficult times; they were persuaded that nothing could separate them from the duty they owed to God." Mrs. Connie Wilson sang a solo, "O Love that will not let me go."

8:15 P.M.

HOLY COMMUNION SERVICE

Bishop Aubrey G. Walton, Presiding

Bishop Aubrey G. Walton was celebrant with Newman Sanctuary Choir furnishing the music. Bishop Walton led the short form of the Holy Communion with prayer offered by Rev. J. W. Wilson. The Choir sang the Anthem, "Were You There?" Doctor L. Haynes, Sr., Pastor of St. Andrews United Methodist Church, Fort Worth, Texas, was presented by Bishop Aubrey G. Walton. Dr. Haynes preached from the Text; Psalms 107:23-24; "They that go down to the sea in ships, that do business in great waters; these shall see the works of the Lord and his wonders in the deep." And from the New Testament he paraphrased the Command of Jesus to Peter, "Launch out into the Deep." He stressed

that in times like these, the church needs to launch out into areas heretofore untried. These are days for action. God has something he wants us to do and we have resisted. God wants us to launch out into the deep, get away from the shoreline. The greatest quest of man in a lifetime is trying to find where is God going. We are so busy and concerned about where we are going, that we fail to sense where God wants us to go. Great victories are those which we achieve on our knees, when we launch out into the deep, we find the glory of God."

Offering. . . \$238.69. Dedicated to the Missionary Work in Liberia headed by Miss Doretha Brown, Missionary from the Louisiana Conference. 329 Persons communed.

Bishop Walton assisted by the District Superintendents and the Host Pastor administered the Sacraments of the Lord's Supper to the Conference. 329 Persons communed.

Closing prayer and Benediction by Bishop Walton.

RECESS

12:15 P.M.—Noon-Day Worship

Bishop Walton expressed gratitude for service rendered by Dr. L. L. Haynes, Sr. through his inspirational messages. Dr. L. L. Haynes, Sr. spoke from the Text Acts 8:35, "Then Philip opened his mouth. . . . and preached unto him Jesus." His thoughts centered on the axiom, "Together we stick or divided we are stuck." The role of Church as an interpreter must include an understanding of the Will of God. The Church must interpret to the world this Will in the light of present day situation—in death—in life—when you walk with God you get an experience. This you must tell people when you see they need an answer. I walk today where Jesus walked that I might obtain strength to do his will."

Closing prayer and benediction given by Rev. J. D. McCrory.

He emphasized the meaning of the word, Commit — "to give in trust, charge or keeping," and commitment — "pledge to do something" to those presented for ordination and who have made a commitment, he advised there were many opportunities for pledges to do something for humanity in a world torn by disaster, famine and need.

VI REPORTS

THE DISTRICT SUPERINTENDENTS' COMPOSITE REPORT

Baton Rouge — James W. Wilson
New Orleans — Robert F. Harrington
Shreveport — Jeffery C. Bibbons

Dr. Arthur H. Compton, Nobel Prize winner, in his article, "The Significance In A Changing World", states that a Greek thinker more than two thousand years ago looked about him and coined an epigram that fits our day better than his: "There is nothing permanent but change." It seems that our Methodism believes this epigram. Almost a year ago to the day, another person stood before you to deliver a composite account of the work of the District Superintendents of Conference -B. There was somberness in that message and a quandry in his findings as he went on unwinding the past and pointing to the future. I am afraid that same quandry brings me to a moment of wonder as we think about the success we have enjoyed as we have moved toward merger. I stand here ready to declare to you that: "There is nothing permanent but change"

The District Superintendents' Annual Reports usually highlights the work done on the District, complimenting the workers who have been responsible for the job. But this year with so many of our companions and their wives departing from this global arena to take up residence in that "Building Not Made With Hands", we feel that a word of tribute should be paid.

Reverend A. D. Edwards rushed off the scene of action soon after the Conference closed its sessions. He was assigned to Baldwin, but never served. Reverend Elisha L. Dotson, a busy worker of another day, retired was next to answer the roll call. The tragic death of Reverend Simon E. Harris shocked the Conference and Methodism. Then followed in quick succession the passing of some tired warriors: Reverend J. C. Calvin, Reverend Clarence O. Greene, Reverend W. H. Davis. With the dawn of another day, Reverend S. G. Reed silently slipped away while on the job at Peoples Church. Reverend Clifford L. Franklin and Reverend Arthur L. White were among the pioneers who could be sent to any appointment and the job would be done, but they have now stuck their swords in the sands of time and they bid us farewell. Another stalwart and loyal laborer, retired, but still active, Reverend J. E. Brown succumbed to the angel of death and laid down to rest in the Permanence of that Change which we all shall someday know

Throughout this report you will get a feeling that every District in the Conference is toward a more Fully Inclusive Church in Methodism! I am deeply concerned that each District of Louisiana - B will not at any point show any difference toward the fulfillment of this "Dream". Every thing that we do in the future must be with the thought that we are moving into an **ALL-INCLUSIVE CHURCH**. There are still those

who do not believe this DREAM possible, but we the District Superintendents want to feel that our work has not been in vain, and the things we have so vigorously tried to accomplish will become real. We want to do what every good Methodist does up to his ability. If the Methodist Church can produce an all-Inclusive Church, America will awaken from its lethargy and realize the power of God in the change in the lives of His followers. Our contribution to this change may not be significant as we feel about it, but if we go into this **Great Dream** of the reality of the **FATHERHOOD OF GOD AND THE BROTHERHOOD OF ALL MEN** with consecrated and dedicated stewards of Jesus Christ, our Lord, the blessings are compelled to reach down as well as up and out, **TO MAKE ALL MEN BROTHERS.**

Therefore it is with humble gratitude to the blessings of God; the wise leadership of Bishop Aubrey G. Walton, and the loyal followship of the Laymen of the several districts of the Louisiana Conference - B that we make the report of our Labors of Love for the past year.

Baton Rouge District

We have come to another point in the life of the Church, when much unrest and frustration take its hold. Many church members seemingly have lost all interest and faith in the new structure of the church and community. Many say it is not relevant to the present day issues. Therefore the Baton Rouge District comprising of some sixty-eight (68) Churches, that is "preaching places", will reflect losses. The Angie Circuit has stood firm. The several Lay Leaders took the lead in carrying on the work for a period of one month after the death of its pastor. The Reverend J. D. McCrory was assigned to shepherd this flock as of March 1, 1970, and continued the fine work. The Live Oak and Mary's Chapel Churches have paid their budget in full. The Bogalusa Charge has come to grip with its task. Harry's Chapel paid its budget in full, the Reverend John L. King is giving good leadership to this work.

The Clinton Circuit under the leadership of the Reverend C. L. Hillard has conducted a revival and gained new members to the church. Both of these churches, Mt. Zion and St. Paul has also paid their budget in full. Most of the churches throughout the District have conducted revivals this year, especially during Lenten Season. I will not list all churches and pastors by name, only a few will be lifted up for good reason. The Scott Church in Port Allen, under the leadership of Reverend W. C. August and his fine family has done a miracle. It increased the pastor's salary, bought new furniture for the parsonage and over a period of seven months, raised some three thousand dollars toward the remodeling of the church. The Lettsworth-New Roads Circuit under the leadership of Reverend Lawrence Pate, a Lay Pastor in his first year, conducted a revival and baptised five converts.

You will have to come to Zachary, La. and see the Jackson Chapel Church to believe what these people have done. Brother Obie Southall in his first year as a pastor has taken these good people and led them into remodeling their church into a new structure. The Napoleonville Circuit has done very well with Brother Williams, the Wesley Church has started a new location of the Church. Plans are to move the church

across the street and build a new church. This will be accomplished soon.

Plaquemine Circuit, the St. Luke Church with Brother A. D. Ennis in the lead have purchased and installed new pews in the Church.

The Churches added to the District are: Newman, Alexandria-Wilton, Alexandria and Wesley, Pineville. The Wesley United Methodist Church under the able leadership of Brother R. H. Harry has built and completed one of the latest style churches and furnished it, with equipment, etc., at a cost of about thirty-eight thousand (\$38,000.00) dollars. The rest of the churches need re-vamping, that is to talk about merger. Some need closing. They are Union at Torris, the whole Maringouin Circuit, Glenmora Circuit, St. Peter-Dearfort Circuit and others.

Recommendations

Union Church merge with Scott at Lettsworth; St. Joseph in Palmetta with St. James in Melville; Moses Chapel in Dearfort with Jackson at Zachary; Asbury, Lawrence and Wesley of the Norwood Circuit merge as one; Green Chapel (Lottie); Wiley at (Blanks) and St. Peter at (Maringouin) needs to enter a courtship of merger and re-locate; Haven Church at Darrow needs closing; Ninde Chapel at LaPlace needs closing; Hartzell and Shiloh needs to merge.

Status of the Baton Rouge District

The health and welfare of the ministers and laymen of the Baton Rouge District has been one of a question. Since we last met in an Annual Conference the Almighty God, Supreme Architect of the Universe has seen fit to visit the Baton Rouge District and called from labor to a just reward, several of our Ministers. Some were in active Pastorage and others retired. Those in active: namely, Reverend Simon E. Harris, Pastor of Newman Church in Alexandria; Reverend Clifford L. Franklin, Pastor of St. Peter in Donaldsonville and Reverend Arthur L. White, Pastor at Angie. The retired Ministers were Reverend Elijah Dotson of Boyce, La. and the Reverend Wesley Hezekiah Davis of Opelousa, and a large number of laymen. The churches that led the way in the loss of members were as follows: St. Mark, Baton Rouge (12); St. Mark, Opelousas (10); Wesley, Baton Rouge (10); Camphor (5) and many other churches suffered lost also.

Education and Activities

The several departments on the District have moved along steadily, the District Board of Laity held District Meeting the fourth Sunday of each month.

Youth Activities

The youth of the District under the direction of Mrs. Alvin Eames and her able staff held two youth settings during the year. One in Alexandria and one in Baton Rouge. Good attendance, The Women's Society of Christian Service under the leadership of Mrs. Inez W. Christentary held Workshops and Seminars through the District with many women attending.

Evangelism

Evangelism, this has been mentioned above. Dr. L. L. Haynes, Jr. reported that several churches conducted revivals with some success.

Christian Vocation

The Reverend Bertrand Griffin has instructed several Seminars in dealing with church vocation.

Family Ministry

Mrs. Daisy Larry, District Secretary with the aid of Reverend N. P. Perry, conference staff presented a good outline and gave some guidance in conducting a Family Clinic, Missions under the Reverend G. W. C. Calvin was presented on several occasions Giving some guidance in conducting Schools of Missions.

A LOOK AT THE DISTRICT

Upon leaving the sessions of the last Conference, the entire staff of the District felt a challenge to work a little harder to interpret the meaning of the Church at work in the community. We felt that the Church had failed to perform its mission as the ministry of Jesus Christ. The different departments were organized in an attempt to share the work-load.

The Laity was alerted through spirited letters from the District Lay Leader, W. C. Patterson, the women were encouraged by zone meetings and letters from their leader, Mrs. Mattie Hewitt. Mrs. Julia M. Smith set the wheels of the education staff rolling and there were Seminars which pointed to the new structure of the Church School and the role of education in every facet of the work.

We have conducted workshops on four sub-districts, explaining the role of the Work Areas and their inter-relatedness to each other and to the Church as a whole. Reverend Edward A. Kennedy has made six visits to the District with valuable information to lead us into self-examination of our status and what we could do to make the mission of the local church more meaningful.

Under the influence of special projects initiated under the Quadrennial Emphasis Program and in connection with the Metropolitan Ministry and the Rural Ministry, we have achieved a little success. We have now the opportunity, at the half-way mark, to assess the value of this training given by Mr. Maurice Monroe, Acting Co-ordinator for Shreveport Metropolitan Ministries. Mr. Monroe re-organized the Boy's work at our 78th Street Project offering recreation and teaching fair-play to the boys on the corner. He organized baseball teams, basketball teams and boxing teams; all of which participated in the city-wide tournaments. A cultural attraction project was proposed and is still under study. We have contacted a person who will assume that leadership in the area and direct the efforts of the churches in training persons to assume leadership in helping to carry out the program of the District.

In all of these endeavors we have enjoyed the fellowship and co-operation of our sister Conference - A. The Committee is bi-racial and meets regular to discuss the problems and offer solutions. The aims of

this committee have been outlined and we propose a twofold objective: (1) To develop a training program to help local churches become involved in services needed in their community. We urge them to accept a limited agenda for action and to become equipped with skills commensurate to their personnel. Our goals for sensitivity training should make people aware through their own perception the needs of other people, of themselves. We will confront them with Biblical background to undergird the meaning of their mission and analyze the present day theological significance of the program. Task Forces are being organized for the purpose of analyzing the resources and materials available and then suggest methods of using these forces for the common good of all.

The second responsibility of the Committee will be to supervise through the District Director a limited number of pilot projects of missionary service and to cooperate with other agencies in the community in the development of projects which may require our help.

Some of the projects now in operation are: St. James, Monroe — Day Care Center, this project is about three years old and offers service to working mothers. There is an effort in the making of meeting with the parents of these children three times per week for special program made up of resources from the community. Panel discussions on health, home care and health problems help the mothers with their problems.

St. James, Shreveport has a multiple service Center in operation: Day Care services for working mothers, Boy Scout activities, basketball and other games are carried on seven days per week. Fairfield is the latest Day Care Center in operation and will service a vast area where these services are needed. There is contemplation of adding other cultural development features to this project. St. Paul Church will serve as the central point for the Cultural Development Program of the Metropolitan Area. The Cooper Road Project is a joint effort with another community sponsored agency offering recreation Day Care and resources for all kinds of advice.

Our Rural Ministry was sparked through the visitation and interest of Reverend Rex Squires. Three new projects were started this year. At Mt. Zion, Leesville, the Day Care Center expanded and added service to Service Men and Women, expended. The minister innovated a program of busing the service men and their families to church service and other events carried on in the community. This effort now has the support of several denominations. At Lake Charles, Warren Church is in the process of creating a Day Care Center. They have already established recreational and cultural programs for Service men and their families when they come to Lake Charles. Our Church at Florien has become the center of interest in this booming new industrial center. A new Pulp Mill is increasing the population and the Church is offering services to the families will increase. Our efforts with other denominations at Natchitoches involves us in a community centered project which offers multiple services to tourist as well as residence of this area. This is an historic town and many tourist and information center and guide service is mentioned by the joint efforts of the churches of this city.

The churches of the District have shown increased interest in the total program of the Church. Reverend Moses T. Jackson visited the Churches of the District instructing the Work Area Chairmen in the process of conducting Local Schools of Missions. Using "Reconciliation In A Broken World" as the theme. Several joint schools were conducted. Reverend Abraham E. Davis directed the District in the Annual Crusade for Youth Who Witnessed for Christ to other youth. Several of the meetings indicated that many youth made their commitment to full time Christian Service. He followed the campaign with the Adult Church holding revivals during the Lenten period. Reverend J. D. V. Hamilton, Jr. and his staff conducted a very meaningful Christian Social Concern Seminar at Fairfield with many of the leaders of the community participating. The Key-Note address was given by Dr. G. H. J. Thibodeaux of the A.M.E. Church. Mrs. Ardelia Scott held the Annual Career Day at St. James, Shreveport where more than seventy youth were exposed to the possibilities of jobs for which they could prepare to hold.

The District staff attended many conference sessions which gave them guidelines on the new role of Church leadership. These programs were very helpful and should be continued.

We are indeed grateful to Bishop Aubrey G. Walton for his interest in the work as prescribed by the General Church. He has visited with us on the District on several occasions and each visit brought more delight and enlightenment. We are praying for his continued interest and for his good health that he continue to lead us toward the goal anticipated. As we face the uniting of our forces with those of Conference - A, we are also praying for wise understanding of the problems which challenge all of us and for wisdom to act with Christian love in helping to solve these many obstacles.

Jeffery C. Bibbons

REPORT OF THE PROGRAM COUNCIL LOUISIANA ANNUAL CONFERENCE-B

The annual Conference-B Program Council came into existence in response to a need. The concept of this council was not entirely new to a number of annual conferences since many similar structures existed in some conferences of both former denominations, The Methodist Church and the Evangelical United Brethren's Church.

But, there are new elements in structure and in function to which attention will need to be given as the Program Council is developed. The Program Council provides the structure and methods for the Annual Conference to aid local churches, where the church is at work to carry out the mission of the church. The study and fulfillment of the mission of the church is basic to program planning. On the basis of this mission the Program Council determines the program necessary for the fulfillment of this mission. With this in mind we, therefore, recommend that the Part Time Program Council director focus attention in the following areas:

1. The new structure of the local church

2. Stewardship
3. Social Concerns
4. That attention be given to the promotion of the Special Days as set forth by the General Church.
5. That he will perform and promote whatever task or assignment which may be designated to him by the Resident Bishop.
6. That he will work in cooperation with the District Superintendents in securing grass-root information which will be necessary to provide the data required to formulate the program.

We further recommend that as soon as possible he will be in touch with Doctor Alex Proteus, Assistant Secretary for Field Cultivation, Division of Interpretation, The Program Council of the United Methodist Church. We recommend that the Boards, Agencies, and Committees work closely preparing for the Convocation of Boards, and later in the formulation of the Program for the merged church. Finally, we elect the nominee of the Bishop and the Cabinet to serve as Part Time Director for the Program Council.

We express our appreciation to Bishop Walton for his guidance in our efforts to conform to the Book of Discipline in working with the Program Council, to The Reverend W S. P. Norris, the former Program Council Director for his untiring efforts; and to The Reverend Edward A. Kennedy, Jr., Associate Director of the Program Council for his expertise in Christian Education.

Special Recommendation

The Program Council recommends that Bishop Aubrey G. Walton be requested to appoint a committee to study the feasibility of establishing an Area Headquarters and to study its location; that this committee be instructed to work with a similar committee of Conference A and that the Committee shall report to the Annual (Merged) Conference of 1971.

Respectfully submitted,
William R. London, Jr., Chairman
Mrs. Azalea Stevenson, Secretary

Prospectus

With the adoption of the Prospectus submitted by the Program Council to the annual conference of Louisiana Conference B, in June of 1969, the staff was charged with the development of a vibrant program, confronting human need and depravation by the training of indigenous leadership for effective ministry. Scientific tools of objective and imperial research, study programs, and planned action were to be used in the fulfillment of the mission.

The year has passed, and the council has fallen short of its hoped objectives due to circumstances beyond its control, and due to circumstances of interpretation understandably so in considering the newness of this new approach to programming and co-ordinating. The director, the Reverend W. S. P. Norris, was out of the office for several months due to ill-health, and in this status quo ante, resigned this post.

At the request of the council, Dr Edward A. Kennedy, Jr., was asked to assume what ever program priorities which were assigned to Mr. Norris as director of the council.

The following is a brief statement in outline of the achievements and failure of this years work:

SUMMER AGENCIES: Promotion of this summer agencies was done without intensity, rather brouchers were sent to each local church in a hope that the ministers would in fact encourage local church leaders to attend. Of the thirteen agencies, only at four was there representation by Louisiana Conference B: Course of Study, Conference on Christian Educational Concerns, Annual Meeting and School of Missions of the Women's Society of Christian Service and Wesleyan Service Guild, Jurisdictional Mission Conference and the Louisiana United Methodist Youth Assembly.

The Prospectus based upon the Christian Calendar Year left promotion to be done through the mail directly to local churches and officers of the local church. In an effort to affect this vehicle for promotion, much time and effort was spent in effecting a roster of officers by categories for each local church in the conference. In so doing, direct contact was made with the specific officer responsible for the work in which program implications indicated.

The following is a list of those special programs which were promoted by mail as indicated in the prospectus: Ministry Sunday, Christian Education Week, Worldwide Communion, United Nations Week, Student Recognition Day, Race Relations, One Great Hour of Sharing, and the Quasi-regional Leadership Seminars.

Those which were not promoted as indicated by the Prospectus were: Golden Cross, Publishing interest (accomplished in some degree by visiting district conferences) Lay Men's Day (failure of all district lay leaders to share in the planning prevented creative programming for this observance), Call To Prayer and Self Denial, Drug and Alcohol Concern, Urban Life Convocation (cancelled), Week of Prayer for Church Unity, Church and Economic Life, Evangelistic-Church Membership Drive, and National Family Week.

Most Significant Work of the Year

The Louisiana United Methodist Youth Fellowship Assembly at Gulfside developed into a quality enterprise which was creative and innovative in nature and exposed the large number of youth an opportunity to be confronted with the real and live issues which the church faces today. Using the theme: "Ministry in the Crisis of Black and White" was provocatively relevant to the involvement of youth in the ongoing ministry of the local communion. With the use semi-professional theatre groups, film and panels of experts who work daily with these issues, the Assembly was in fact programatically excellent.

As usual, the Conference School of Missions sponsored by the Women's Society and Wesleyan Service Guild was a qualitative program activity. From all over the conference women became involved in the Bible and designated course of study. Commendation to the women and the work in missions of the women.

Nine Quasi-regional Leadership Seminars were held throughout the conference. The average attendance was approximately 21, and inspite of this relative low attendance record, the record will show that for almost all of those leaders who attended found not only a new experience in learning, but for the first time, conceptualized what ministry is, and the role of the church in the effectuation of that ministry. Seminars were held in Shreveport, Monroe, Mansfield, Alexandria, Lake Charles, Baton Rouge, New Orleans, Angie, and Baldwin.

The New Orleans District Stewardship Workshop, while not well attended was significant to the team-teaching approach; both Reverends Norris and Kennedy did the instruction. Those churches which were represented did in fact have the key stewardship and financial officers present.

General Evaluation

In addition to personal and administrative strains, against the seeming leathargy on the part of the conference in the anticipation of merger, far too little was accomplished. The Prospectus, if read carefully was not a challenging format in light of the kind and depth of programming which is needed for this conference and for the churches of the conference.

The boards and agencies as well as the other programming structures need to come together in a single mindedness for a oness in mission and ministry. Fragmentation was one of the serious obstacles in program fruition and objective achieved. Nevertheless, the reports and comments of the individual boards and agencies will indicate that much planning and much labor has gone into this years work, and by this, much has been gained by the conference in the ongoingness of its program projections.

BOARD OF LAITY REPORT

Bishop Aubrey G. Walton and Members of the Conference:

Your Conference Lay Leader wishes first to thank all of you for your cooperation and forbearance during this past year. We have tried to resolve of the problems present in both Conferences by meeting jointly with representatives of Conference-A. We find that many of the obstacles that have been projected will find us striving together to overcome the same. Information secured at the General Conference of 1970 have helped all of us in seeing the road ahead with more clarity.

The Board of Laity pledges itself to support the plans for a smooth and rapid transition into the merged Church of Louisiana Area. I have attended many meetings all over the State and find the laity working hard to orient themselves in the New Structure of our Church and we are looking forward toward a smooth transition.

We pledge ourselves to increase in pensions, minimum salary, and decent living quarters for our pastors and their families. We plan to continue in our efforts to recruit young men and women for the Christian Ministry and will help them by continuing our scholarship program.

We pray God's Choicest Blessings on our Bishop, his family, and other members of this administration and their families. The following organizations represent your Conference Board of Laity as approved by the 1970 conference session:

Conference Lay Leader	Monroe T. Stringer, Jr.
Vice-Conference Lay Leader	Mrs. O. B. Medlock
Treasurer	M. E. Taylor
Secretary	W. C. Patterson
Chaplain	Abraham Cobb

District Lay Leaders

Baton Rouge	Oliver Brown
Associate Leader	Atty. J. E. Hines
New Orleans	Allen L. Brown
Associate Leader	Leroy Duchane
Shreveport	W. C. Patterson
Associate	A. Roy Rushen

District Directors of Lay Speakers

Baton Rouge	Felton Butler
New Orleans	David Gross
Shreveport	Arthur J. Williams

Finally, We are asking full support of The Scholarship Program to this end, that every layman will contribute ten cents (10¢) per year. The local church lay leaders will report this money to your District lay leader, who will in turn report the total received to the Conference Treasurer of the Board of Laity, Mr. M. E. Taylor, Box 425, Denham Springs, Louisiana.

QUADRENNIAL EMPHASIS COMMITTEE REPORT

Bishop Aubrey G. Walton and Members of Louisiana Conference-B
 Greetings:

The ongoing curriculum resources prepared by the General Board of Education provided a steady undergirding during the first half of this Quadrennial Emphasis. These emphases are three pronged: The Sermon on The Mount, Reconciliation and Voluntary Service. In the general area of the teaching of the Sermon on the Mount, excellent units for children under such topics as "Learning about Jesus", "What is God Like?" and "How Jesus Reveals God to Us". For Youth we have such units as: "The Mission and Message of Jesus" and "Jesus of Nazareth". In the Adult area there are studies called: "Jesus Came to Minister", "God Working Through Jesus" and "The Gospel of Luke."

To incite the program of Giving, the foundation for this act was inspired through the courses taught to give the Theological meaning of Reconciliation. Units such as: "Time of Confession and Reconciliation, Reconciliation in a Broken World, and Images of Christian Community, have helped to plan systematic giving. The fund for Reconciliation, gave the churches opportunities to share not only their money, but their initiative in meeting the needs of people. Through this project, churches were asked to give money to a central fund that is being used within their conference and on a National level to help support projects for Reconciliation across many kinds of barriers. Church members were asked to study their local church and community to see what needs they could meet, in the program of service. These programs were supported in part by the fund for Reconciliation, and in part from Volunteer Services of local members, and in part through co-operative efforts with

other agencies in the community.

Under our Rural Life Program we had a splendid example of this community and Church relationship. The church at Welsh, La., Jones Chapel was in need of repairs so that the membership could worship. The Task Force of First Methodist, Lake Charles joined hands and body with other members of the Welsh community and repaired the church. Still another force came in to lend a hand in conducting a Vacation Church School. The Involvement is still going on. Mt. Zion, Leesville had a similar experience; Haskins Chapel, Zwolle, was helped with its community project in the same manner. The need was discovered by the local church and the problem attacked from that point with the funds coming to the rescue in time of distress.

What we have done on the Conference level: At Baton Rouge, Mr. William J. Miller, Director of the Hughes United Methodist Mission, one of the Major projects of the Baton Rouge area. It was established out of a need for the Community and with Voluntary services of membership of the churches and community, the church instituted Sunday School Classes which meet in separate rooms. In addition to broadening the religious influence, the acquisition of a house enable the staff, under the direction of Mr. Miller to expand its community-wide program. The Center is cooperating with the Parish School Board in sponsoring a series of Adult Education Classes. There are also plans to tutor Children's Groups and set up a full-time Day Care facility. Bible study and developmental foreign language classes are other goals. Already started are the Boy's and Girl's Scouts with Cub and Brownie Troops. Additional features as: Book Mobile stops, Show-and-Tell Children's Hour, basketball, badminton, volleyball, horse shoes, and table tennis round out the other features which interest children, youth and adults.

In New Orleans, The Metropolitan Ministry is directed by William R. London, Jr., with an employed and volunteer staff. Funds from our area will finance the program itself. Fund from the Board of Mission, MUST II, will support the Black Coordinator. The two aims are to train concerned persons for service and carrying out experimental Ministries. This includes a ministry of low income groups. Also under this program and yet not under the same heading is the Spanish Speaking Ministry which has expanded and the staff increased to reach more people. Local Quadrennial Emphasis Committees have worked with the Commission on Christian Social Concern and Mission Work Area in presenting programs such as Day Care Centers, Unemployment Assistance Centers, group concerned with Court Injustices; better Housing Committees; health facilities, and help for the emotionally disturbed, and tutoring for the slow learner.

Our Shreveport-Monroe-Natchitoches Ministry includes a combination of a Metropolitan Ministry and Town and Country Work. Under the leadership of Rex Squires, services to the rural churches granted specific help to those churches in need. The above mentioned Jones Church project was under his direction, and also was the churches at Leesville and Zwolle. Reverend Squires has made a survey of all the rural churches, exploring their location and the community served and is qualified to recommend those churches that have no further service in

the community. It was through his study that we were able to discover the exodus of many members when industries were shut down in certain communities. The out-come of these churches is still under advisement.

In Shreveport, the services of Maurice Monroe was solicited to carry out some projects under the old Committee, namely: the 78th Street Project, the Cooper Road, and the St. James Center. Mr. Monroe worked with the boys in these projects and along with the Baker Street plan was able to provide leadership for each center through volunteer services. He instituted classes for winter months in health training and was able to organize seven teams from several parts of the city who participated in wrestling matches, boxing contests and basketball games. He is now working on the baseball angle with the same group of boys. With the juveniles, he and his associates at the Baker Street project have started Art appreciation classes.

On the Shreveport District we have four organized and functioning Day Care Centers. At Monroe, Mrs. Ruth Brown serves as director with forty-five (45) children enrolled; at St. James, Shreveport, Mrs. Marie Douglas serves as director with forty-nine (49) children enrolled. At Fairfield, there is capacity for 35 children and they are waiting certification. Mt. Zion, Leesville, Mrs. Self, Director has twenty-five children enrolled. At Zwolle, Haskins Chapel church, Mrs. Helen Cross serves as director with twenty-six children.

In order that we as a New Church may prove at one on every level of the church that we are ready to engage in constructive social exchange relative to the Church's Mission in the World, and more particularly to the national crisis, we recommend that special effort be made to pay the pledges to which many of the churches are committed. This is a sacrificial offering from the laity and clergy. The giving of substance does not exhaust our potential in Mission. There is established a Voluntary Service for which person may offer themselves for direct service as a part of the Task Force Reconciliation.

May I repeat a challenge made earlier to this Conference, "God is speaking through the disillusioned, the angry ones, the poor ones, the hungry ones, the war-ridden, the rejected, the de-personalized, the searching ones in our world. He is speaking in the seething caldrons of our cities, and quiet country lanes of our towns and hamlets. Can we do other than listen? Can we respond in acts of loving service which our Lord receives as we serve His little ones? In adopting and fulfilling this quadrennial program let us open our hearts as well as our lips to the pressing reality of God's Will and His call to the Church. He is asking His Church to give meaning and purpose to our chaotic world. We are wont to say that the future of the church is at stake, the matter is much deeper. At stake is life itself, the future of America, perhaps the world. We must, yes, more than that, we should offer the Christian Gospel of Reconciling Love. We can be a New Church for a New World under the guidance of this potential Proposed Quadrennial Emphasis and present God's Word in action to the Ever-Dying, ever-changing, and yet ever-living world in which we live.

Respectfully,
J. C. Bibbons, Chairman

METROPOLITAN MINISTRIES

Metropolitan Ministries is chartered within the State of Louisiana and registered as a non-profit organization. Metropolitan Ministries is the church involved in community, particularly as it attempts to be responsive and relevant in a changing society.

Its purposes and goals are:

I. PURPOSE:

1. To develop a strategy of mission in the Metropolitan area that would include evangelism, social service and social change agencies.
2. To motivate, strengthen, and enable local indigenous expressions of the church to engage in human and community development.

II. GOALS:

1. To enable metropolitan judicatories to be effective instruments for urban mission.
2. To encourage all metropolitan ministries and projects to initiate, participate in, and be responsible to viable community coalitions for effective social change.
3. To facilitate the communication process among all sectors of community life within the metropolitan areas.

Metropolitan Ministries attempts to achieve its purposes and goals through seven dimensions:

1. To initiate programs within the context of the Christian Gospel, but outside of the institutional church.
2. To extend involvement with ecumenical and/or community groups and agencies.
3. To educate in human relations between denominations, ministers, laymen and races
4. To minister to (economically, socially, and culturally deprived) inner-city people.
5. To minister to that metropolitan group, ages 14 to 25. (The church is now reaching only six percent of this age group.)
6. To help provide the necessary manpower for specialized ministries for the metropolis.
7. To serve as a bridge between the people of suburbia and the inner-city.

The Board of Directors of Metropolitan Ministries is ecumenical in base and is made up of member churches, some from the old Inner-City program of the Methodist Church and others that are responding to this program. Each church has a representation on the board, which consist of the pastor and a representative elected by the Charge Conference, or by its governing body. There is an Executive Committee which consists of twenty persons in number and is racially balanced. Presently there are twenty-three member churches in Metropolitan Ministries with a membership totaling 10,909 and church school enrollment totaling 4,514. Membership is open to any church upon application.

The program is funded from one-half of the Fund of Reconciliation which is the amount that remains within the Annual Conference. It also

receives funds from the amount that is sent to the Board of Missions, through the MUST II Program. Some funds are received from the Annual Conference generally, the New Orleans District, local churches, and different agencies and organizations. The offices of Metropolitan Ministries are housed in Napoleon Avenue United Methodist Church. Metropolitan Ministries Projects presently include:

1. Tutorial Programs:

Elementary, Junior High School, High School, College Students, Special Classes—Shorthand and Typing.

2. Adult Education Program:

Basic Education, First Aid, Leather Craft, Sewing, Worship

3. Well Baby Clinic: Counseling — Nursery

4. Extended Ministry — Experimental Learning — Day Camp — Work Camp — Play Area — Little Theatre

Tremendous Progress has been made since the office opened in September 1969, and yet with the many programs in operation, Metropolitan Ministries is only **scratching the surface**. There is not a day when a call for assistance from some group or agency does not come to our office. The great need is for an understanding of the purpose of the program of Metropolitan Ministries, and a willingness on the part of the church to be gathered for instruction and scattered for service.

Recommendations

1. That the apportionments to the several churches continue to be made directly from the Conference Commission on World Service and Finance using the decimal plan: a) 2/3 based on membership (Latest figure reported to the Conference Statistician or the Charge Conference, which ever is higher). b) 1/3 based on the Annual Conference askings for the last three years for World Service and Annual Conference Benevolence.

2. That the disciplinary provision for all amounts contributed in each local church for World Service and Conference Benevolences be

remitted monthly to the Conference Treasurer.

3. That the Conference accept its pro-rata share of the Area Budget.

4. That the matter of Special Days be observed in each local church accompanied by suitable programs under the leadership of the appropriate Ministry with offerings forwarded to the Conference Treasurer along with the local treasurer's monthly report. The Special Days are: 1) Race Relations Sunday; 2) One Great Hour of Sharing; 3) United Methodist Student Day; 4) World-Wide Communion Sunday; 5) Peoples Community Center Day and, 6) Golden Cross Sunday for Lafon Protestant Home.

5. That the Annual Conference Boards operate as far as possible through duly constituted executive Committees between conferences because of limited travel funds.

6. That the District Superintendents' Fund shall include amounts to equal \$12,000.00 each for three District Superintendents annually with the following provisions:

- a) Salary in the amount of \$9,000.00 per annum.

7. That continuance of the Special \$7,000.00 per year supplement for the Ministers' Reserve Pension Plan be continued through the next year to help overcome a deficit in the fund.

8. That we accept the revised figures as our budget occasioned by General, Jurisdictional, Area and Annual Conference action. Namely, \$241,787.00 for 1971, January to December

9. a) That the Annual Conference Program Council under the leadership of its Chairman, Program Director, will give vigorous guidance to promotion in the area of stewardship with emphasis upon stewardship education and giving.

Dr. G. Leon Netterville, Chairman

GULFSIDE ASSOCIATION WILL BE REHABILITATED

By Reverend E. A. Mays Executive Director

P. O. Box 186, Waveland, Mississippi

Almost a half century ago, the late Bishop R. E. Jones resident Bishop of the New Orleans area of what was then the Methodist Episcopal Church, but now the United Methodist Church, called a few Negro leaders from across the states to assemble at Waveland, Mississippi and formed an organization for an institution now known as Gulfside Association. This institution is located at Waveland, Mississippi on the beach front 4 miles west of Bay St. Louis.

Early in its incipency the leaders of this organization initiated a program for the development of the recreation, social, economical, educational, moral and religious life of black people in the deep south. Gulfside being located as it is on the gulfshore at Waveland, offers a fine opportunity for people to enjoy the privileges of the beach and the

aromatical breezes that are blown by the winds through the healthy whispering pines which overlook the beautiful campus of 132 acres.

Since its beginning Gulfside has been the meeting place of people who have come from different sections of the country for study, recreation and worship. The following are some of the activities that are promoted on these grounds mostly through the summer and vacation period:

Youth and young adult church groups from many states. Wesleyan Service Guilds and Women Societies, Schools of Missions, Leadership Christian Training Schools, Methodist Men's retreats, Methodist and Baptist Youth Christian Institutes, YMCA Camps, YWCA Camps, Boy and Girl Scout Camps, Retreats for Catholic Priests and Episcopal Ministers, Lighthouse for the Blind, Maine Boys Home, the deaf and dumb day camp and many other clubs, civic, social and religious are held on these spacious grounds. Annual conferences, and Area councils are held here with delegates from Louisiana, Mississippi, Texas, Alabama, Georgia, Florida, Tennessee and, in fact, from all parts of the country.

We will be a little late beginning our summer activities this year because of hurricane Camille. Our grounds and buildings will be ready to serve the public when repairs of buildings and grounds are completed probably in the middle or the last of July. Plans are being made for a bigger and better Gulfside; with the cooperation of all, Gulfside will rise again.

REPORT OF TOWN AND COUNTRY COMMISSION

Bishop Walton, members of the cabinet, members of the Louisiana Annual Conference B, and friends.

The Commission on Town and Country submit its report with some feeling of misgiving that we haven't done as much as we could have done. Yet we feel that we exist in a dilemma because there is no directive from any General Agency, which has come to us, nor have we received any directive from the Conference level. This does not alter our concern for the work of this commission, because there are areas of great concern in the Town and Country.

In our last report we stated that there is a need for merger relative to our Town and Country Churches. The Baton Rouge district Superintendent in his Annual Report has mentioned some churches which need to come together this is a step in the right direction, 100 persons could do more together in one church than 50 in two churches. The pooling of resources both temporal and spiritual could be a blessing to all concerned.

There was a work shop on Town and Country Work, August 18 and 19 at Camp Brewer. I was in attendance and was inspired by the presentation of Rev. Risberg who has done a commendable job in this area. The key to the success of his work is organization and the wise use of Lay Speakers who are assigned by him to preach at various churches on the four point circuit on a rotation basis. Each lay speaker is paid out of a fund included in the church budget for this purpose. Each church

is open for service each Sunday. Rev. Risberg rotates also to various churches on the four point circuit. Other members present at the workshop on Town and Country were C. J. Harrison and Richard Harry. Bishop Walton was very interested in the concept and organization as presented by Rev. Risberg and express a belief that this is the salvation for many of our small churches.

Included in this report is a report from Rev. William Jones the director of Recreation on the Franklinton Charge. This comes as a district report.

"I maintain the idea that if the seeds of Christian **Brotherhood and Peace** must prevail the church must provide the ministry for reconciliation. The outcome of several meetings held by the joint commissions of both conferences A and B is a suggested program of reconciliation for the nonmetropolitan churches and communities on the Franklinton Circuit.

I must state that the proposed budget for fund this project came to a total of \$15,900.00 to perform the type of ministry that is needed to promote the following objectives:

Church Education, Spiritual Guidance and Values, Better Home Life, Reduction of Poverty, Recreation, Cultural Activities, Understanding Rural Life and Rural Problems, and Christian Education.

In the process of trying to get this project properly funded the Director of Rural Reconciliation Programs the Rev. Rex Squyres sent th amount of \$300.00. On our proposed budget \$300.00 will partially equip us to render item No. IV. Games and Sports/Physical Fitness and Health Program.

The main recommendation clearly stated is that we need an adequate amount of funds for this project. On behalf of the church and community of Franklinton we extend our thanks for all persons who have made it possible to start this project.

It is important to recognize that the Nonmetropolitan Reconciliation Program in conjunction with the Quadrennial Emphasis Committee has turned to consider some projects to aid a number of small churches in bad repair and needing immediate attention.

Let us all strive to work in the name of the Lord in the communities we serve."

The St. James church which is on the Napoleonville Circuit has felt a need for recreation of its young people, therefore they are planning a building for a cost of \$9,000.00—\$10,000.00 this building would include kitchen, rest rooms and play area.

We believe that there should be a courtship between churches, which has the possibility for having an effective merger. This can be initiated by the Superintendent or the Commission Town and Country.

We desire your prayers for the work of the Commission.

W. C. August, Sr., Chairman
Rev. W. L. Jones, Secty.

REPORT OF SAGER BROWN SCHOOL

Bishop Aubrey G. Walton and Members of the Conference:

At the beginning of 1969 Sager Brown School had living in its dormitories 43 children. The number of day students was 101, making a total enrollment at the school of one hundred forty-four (144).

The staff is comprised of twenty-five workers in the categories of administrators, teachers, houseparents, cafeteria workers and maintenance personnel.

Sager Brown operates a residential program for children from Kindergarten through eighth grade. In the dormitories, emphasis is on providing a home-life for children who as a result of some experience or experiences have been deprived of a home. Sometime this deprivation is due to death, divorce, alcoholism, economic problems or desertion. Day students attend because usually the parents are seeking the church-related school for their children.

Our program at Sager Brown is planned for year-round services for the children on the campus and in the community. Activities for the winter and spring months were as follows: Madri Gras — this day they enjoyed an annual bus trip to one of the nearby towns for the parade. Easter celebration for staff and children along with the religious emphasis of Easter, the family was remembered by church groups and friends of the school with such gifts as money, Easter cards, clothes, candy, etc.

The Advisory Board met on April 12 with several persons being present. Dr. Evelyn Berry, Executive Secretary of the work was with us that weekend.

May 3 we had a May Day Parade and "Play Day" sponsored by our P.T.A. Some of the funds from this project were used to purchase a public address system for the school. This was a much needed piece of equipment.

Next was the closing of school exercises. The air was filled with excitement at this time. All of the 8th grade graduates except one are attending local high schools. One dormitory girl started 9th grade at the Allen High School, Asheville, N.C.

During the summer months our school conducted a remedial program for both dormitory and community pupils. This program was designed to strengthen many of the weaknesses of students who had problems with areas of subject matter during the regular school term.

Various forms of recreational activities were conducted throughout the summer, including swimming lessons, which were conducted for six weeks. Attendance at church meetings, annual conference, M.Y.F., Women's Society of Christian Service meetings, and workshops were all a part of the summer program for both staff and students.

The Fall term opened in September, 1969 with a dormitory enrollment of 53 and a total enrollment of 165. The staff consists of 25 persons, including 2 deaconesses, one US-2, one full-time minister, and one young man who had committed himself to the ministry.

Several missionary groups, church groups, former students and friends have visited us during the year. The New Orleans District

Women's Society of Christian Service, Louisiana Conference B held one of its monthly meetings on the campus and had dinner with us.

Several persons, churches and organizations have made contributions to the institution. Among them was a gift of supplies—linens, soap, toilet articles, etc., and a cash gift of \$200.00 for library use from the women of the Baton Rouge District, Louisiana Conference B. A former student has made a contribution of \$50.00 monthly this year. It is indeed gratifying to see the interest that is being manifested in the school.

We trust that this interest will continue, for your help is needed very much. The budget for all institutions have faced a reduction and we are in need of as much financial support as possible. Your giving through Advance Specials is one of the ways you can help through your church; however, we appreciate individual gifts, too.

We take this opportunity to say "thank you" for the cooperation that you have given and we solicit your prayers and gifts as we continue to serve.

Respectfully submitted,

Rosie Ann Cobb
Superintendent

REPORT OF THE UNITED METHODIST YOUTH FELLOWSHIP

Bishop Aubrey G. Walton and Members of Louisiana Conference B:

"If we are believers in Jesus Christ, then let us take up the cross with all of its agonies and all of its burdens. Let us take up the cross until it burns the very inner depths of our souls and bodies." . . . Martin Luther King, Jr.

During the course of this conference year the youth have made great strides and progressed in many areas. We have centered our attention on "Legislative Affairs", sponsored by the Board of Christian Social Concerns, with a purpose to help young people participate in political, economical and social issues of our nation. We have started a legislative affairs library, consisting of contributions from the Viet Nam Moratorium committee, Hubert Humphrey's America for Democratic Action, the Southern Leadership Conference, Equal Opportunities publications and we have received tapes from the Business Executives Move for Viet Nam Peace.

We support the extension of the Voting Rights Act of 1965 and the right for eighteen (18) year olds to vote. We opposed the nomination of Judge Carswell and requested Senator Long and Ellender to vote against the confirmation. We requested Governor McKeithen to investigate the discrimination policies at Fort Polk and Leesville. We commend Representative John Conyers of Michigan for his bill concerning priorities of our nation.

Louisiana Conference B ranked second in the South Central Conference and sixth in the nation in the campaign for funds for Youth Service Fund, 1969. Youth Assembly, sad to say, this was the last activity at good old Gulfside. It was attended by youth across the conference, a great thrust in black pride and dignity. Reverend E. A. Ken-

nedy was director and he was ably assisted by Mrs. Chaney B. Morse, Conference Director of Youth Work. The Annual Youth meeting held at Newman Church witnessed one hundred thirty youth caring for the business of the organization.

District meetings and workshops have been held on all Districts. District President, Wessie Mae Peters and Sub-District Director Willie Ginn of Baton Rouge attended Mt. Sequoyah. Wessie Mae Peters and Alonzo J. Campbell, Jr., are presently candidates for a General Board or Agency of our Church. Miss Sandra Foster, Neely, Baton Rouge is a candidate for United Methodist Council on Youth Ministry.

Finance — the youth of this Conference have made great stride through hard labor. However, if we had more money we could make even greater strides. We are requesting the World Service and Finance Commission to consider our plea.

REPORT OF THE WOMEN'S SOCIETY OF CHRISTIAN SERVICE

Bishop Aubrey G. Walton and Members of the Conference:

I bring you greetings from the Women's Society of Christian Service, Louisiana Conference B.

A tremendous amount of work was crowded into this short conference year. We have had meetings in order to accomplish some projects and plan for the future.

The women have been busy living up to our purpose. They have given volunteer services, at St Mark's Community Center and in the Thrift Shop there. Special gifts have been sent to Sager Brown School and Peoples Community Center. Last June all of our Conference Officers and workers in the Conference School of Missions attended the Regional School of Missions at Mt. Sequoyah for special training. One of our best Conference School of Missions was held at Gulfside last July. The women worked hard and their accomplishments were excellent. For the first time we published a daily news called "The Whispering Pines." Mrs. Owinda Taplette was dean with a well trained faculty.

Conference A and B sponsored a very successful workshop on "Human Relations" in Alexandria. Both groups were motivated to greater participation in human relations. I was privileged to attend the Annual meeting of Board of Missions and the Women's Division held in Boston last fall. What an excellent meeting; important issues and changes were brought forward for discussion. I witnessed some action and decisions I shall never forget. We are a part of a "World-Wide Organization" with vital issues to be decided.

It is very rewarding to see the interest manifested by the good women all over the Conference. I must say how proud we are of the women of the former New Iberia District. They really made a wonderful adjustment. There was a break in their participation. They readily became a part of the District to which they were assigned.

We will hold our Annual Meeting in Lafayette, at Mallalieu Church, July 10-11, 1970. Conference A and B are making some definite progress towards merger. To that end the combined committees on Constitution and By-Laws which we hope will be adopted and used before and after

merger. Our plans are to have our Annual Meeting at the same time and place as Conference A when we become one Louisiana Society.

We know we have God's guidance. After Hurricane Camille destroyed Gulfside, our plans for the 1970 School of Missions were shattered. We were lost for a place God always has a ram in the bush, if you keep the faith. While attending a meeting in Kansas City, with Conference A, to my surprise the ladies asked me, "Ethel, what are you going to do about your school? We would love to have you join us and we can have the school together." After receiving an invitation from the Executive Committee of Conference A, we voted to accept. We will have our School together at Centenary College, July 20-24, 1970.

Another pleasant experience was the participation of some of the officers of Conference B in the Annual Meeting of Conference A last month. These experiences help us to evaluate our work and see ourselves eye to eye.

I attended the General Conference in St. Louis, Missouri and thirty-four ladies from our Conference attended the Assembly in Houston. All Conference Officers will attend the 1970 Regional School at Mt. Sequoyah in July. Here they will be trained in the new policies of the Division and Society.

We are desirous of having more participation with the ministers, we truly need each other. There is no complete success without cooperation from all.

In closing this report, may I express my deep gratitude and appreciation to the District and Local Society Presidents for their loyalty and to each and everyone for their cooperation. The success we enjoy is truly through your efforts.

REPORT OF WESLEYAN SERVICE GUILD

Bishop Walton, Ministerial and Lay Members of the Louisiana Conference B

As the Conference year comes to a close, the Louisiana Conference

B Wesleyan Service Guild finds itself in the midst of many needs:

1. That of pursuing the needs of employed women
2. That of engaging in experiences for leadership development.
3. That of enrichment and leadership development for local Guilds in the Conference.
4. That of examining relationships with the Women's Society of Christian Service and Wesleyan Service Guild of Louisiana (A).
5. And that of giving guidance to each local Guild unit.

The Conference Guild has attacked the problems of urbanization, hunger and poverty, peace and reconciliation. Local guilds in the Conference have participated in "living room dialogues" as related to ecumenism and race relations. Many guild units have cooperated with other groups in alleviating housing needs while other guild units have engaged in voter registration and education.

Since my election as Conference chairman on April 26, 1969, I have learned and my life has been enriched.

The summer of 1969 was a busy and full one. In June, I attended the West Gulf Regional School of Christian Mission at Mt. Sequoyah Assembly of the United Methodist Church, Fayetteville, Arkansas. I attended and served as leader at the Louisiana Conference B School of Mission at Waveland, Miss. in July of 1969.

After being invited by Miss Mildred Evans, Louisiana A Conference Guild Chairman, I attended the First Annual Guild weekend, July 25-27, 1969 at Centenary College, Shreveport, Louisiana. In September, 1969 I attended the Leadership Workshop which was held in Kansas City, Mo.

On October 25, 1969 at the Holiday Inn, South Baton Rouge, La., the Conference Guild Committee held a planning meeting. As a result of the meeting, objectives were set up for the year, and the following activities were planned for the year:

1. Spiritual Growth Retreat, March 14, 1970 at Camphor Memorial United Methodist Church, Baton Rouge, Louisiana.
2. Conference Annual Guild Meeting July 11, 1970 at Mallalieu United Methodist Church, Lafayette, Louisiana.
3. The Conference Guild Weekend, September 4-5, 1970 at Dillard University, New Orleans, Louisiana.

On April 2-5, 1970, I attended another **Leadership Training and Orientation Meeting** in Cincinnati, Ohio

The Louisiana Conference B Wesleyan Service Guild is much aware of "Change" and flexibility is the password. The following ideas are being stressed: become more informed, assume more responsibility for the mission of the church and become more mindful of the fact that each of us is a missionary. In addition to giving money for mission we keep in contact with missionaries in the field, and we encourage others to consider Christian vocation as their life work. At this time there are eighteen (18) local guild units in the Louisiana Conference B. The opportunities for me are many and my prayer is that I might be faithful to

the task to which God has called me.

BOARD OF SOCIAL CONCERNS

Nathaniel P. Williams, Chairman

June, 1970

The Conference Board of Christian Concerns has met twice during this Conference Year during the months of October and January. These meetings were held in conjunction with the Social Concerns Boards of Conference A.

A major project of the Board was a Workshop to train District Directors of Social Concerns, held October 14-15, 1969, at Camp Istrouma in cooperation with Conference A. Dr. Warren Ebinger of the General Board of Social Concerns provided valuable leadership.

The attention of all District Directors, pastors, and local church Social Concerns Work Area Chairmen is called to the Resolution on Project Equality whereby a committee from the two Conferences will be set up to study the feasibility of Methodist participation in Project Equality in Louisiana. A report is to be made in 1971. The committee should consist of representatives named by the Conference Boards of Missions, Laity, Social Concerns, the Women Society, and the United Methodist Youth Council, plus three members at Large appointed by the Bishop.

During the January meeting it was decided that Conferences A & B Boards of Christian Concerns will hold a one-day joint meeting on October 15, 1970 at the Holiday Inn in Alexandria.

The emphasis of Christian Concerns must be on human needs, not projects Christians cannot and must not be blinded to the human needs all around our churches, our communities and the world. We must be concerned about the issues fragmenting the world, and must work toward some solutions to such mammoth problems as:

1. Unemployment and under-employment.
2. Inadequate welfare payments to a very large segment of our society. The proposed Guaranteed Annual Income offers possibilities over the present welfare system, if implemented.
3. Alcoholism and drug abuse on the increase and affecting all segments of our population—especially our young adults and youth.
4. Some progress has been made in the areas of Civil Rights. There is room for much more progress as it relates to education, employment, housing, labor management relations, and broader involvement of Black citizens in city and state jobs.
5. Pollution problems.
6. The need for increased voter registration, education and voting.
7. The channeling of public school funds into the support of private schools will be the detriment of public education.

It is recommended that churchmen, through action-oriented study, familiarize themselves with the critical areas of human needs. Needs

which are realized through study furnished basis for community action. The time is NOW.

June 8, 1970

The Committee recommends that two of the areas of need mentioned above be given top priority for the Conference Year 1970-71:

1. Employment
2. School desegregation and implementation of adequate teachers Salaries.

REPORT THE BOARD OF EVANGELISM

"The Gospel Of Christ, The Cities Greatest Need"

The cities of our Conference are the New Frontier for our Local Churches. These cities are great in everything, but the Gospel of Christ. They have skyscrapers and shacks, intellectuals and ignoramuses, cream puffs and crumbs, riches and rags, virtues and vices, character and crime, truth and lies, saints and sinners. Look at these cities! St. Luke says of Jesus, "And when He was come near, He beheld the city, and wept over it." The concern of Jesus Christ for the city and its people were great. He left that concern and a program of salvation with His disciples of the first century. This is our heritage also. What will we do? We recommend that Concerned Evangelism be pursued vigorously during the ensuing conference year.

1. Use a variety of methods to help and reach the people of the cities in regards to housing, jobs, legal problems and food needs.
2. Preach the Gospel of Christ in a manner relevant to the whole life of the people.
3. Make all Lay Witness Missions, Special Revivals, Bible Study Classes, Youth Projects and Worship Services, include and touch all the people possible.
4. Let the pastors and laymen go to the people in every section of the cities with the Gospel of Christ by the reflection of their daily lives.
5. Work to save people, and the Church will be saved.

REPORT OF CONFERENCE MISSIONARY SECRETARY

Bishop Aubrey G. Walton and members of the Conference:

In this period of transition and crisis in our world, our country and our Church, United Methodists, are striving to examine more carefully the task of the "Laos" (the people of God). To be the Laos we must put into constant practice the mandate of our Lord, to be ministers to others, Conference, District, and local programs have pointed out that the ministry of Reconciliation deserves top priority in our alienated society. The responses to these challenges are encouraging as study discussion

groups, action projects and new ways of viewing missions have emerged on each district. On the debt side, we have seen contributions for the Fund for Reconciliation come in much slower than anticipated and needed. The entire Quadrennial Emphasis will have significance for Louisiana Methodists only if our present activities are viewed as a beginning "springboards" for more creative and more relevant ministries (i.e. missions).

Many churches are paying a larger percentage of their annual apportionments than at any previous time. We welcome the additional churches which have joined the "one hundred per cent (and plus) club" and urge each charge to strive toward this goal. There remains the constant need to support Advance Specials and our only Conference B missionary, Miss Doretha Brown serving in Liberia. Reports reveal that out of all of the Louisiana Area Missionaries, one is not receiving Special funds from any of the Area churches. This is Miss Brown.

The new missions theme is "How the Word Gets Around — Communicating the Gospel". Your Conference Missionary Secretary has been involved in the plans to have a weekend co-operative Study in Christian Missions for both conferences in July at Centenary College, Shreveport. This enterprise will serve to familiarize local and district leaders with the theme and available resources.

In order that our conference will have a more effective ministry in missions I recommend the following:

1. That each charge will dare to open at least one new "frontier" of missions on its own "doorstep."
2. That each charge will seek to be a "one hundred percent charge" in terms of the Conference Apportionments.
3. That greater support be given to General Advance Specials and to Miss Doretha Brown, Missionary to Liberia.
4. That each District Missionary Secretary will urge full local participation in the joint Conference Week-end Co-operative Study in Missions, July 25-26, Centenary College, Shreveport and that the secretaries will inform the Conference Missionary Secretary of important missions' activities undertaken.

Respectfully Submitted,

J. D. V. Hamilton, Jr.

REPORT OF THE BOARD OF MINISTRY

REPORT NO. I

The Board of Ministry of Louisiana Annual Conference B makes the following recommendations to the 1970 Session of the Louisiana Annual Conference B:

1. We recommend that there be an active Secretary of Enlistment in each local charge for recruitment of persons for the Christian Ministry.
2. We recommend that the District Secretary and District Com-

- mittee on Christian Vocations work closely with the Director of Recruitment at the Gammon Theological Seminary, Atlanta, Georgia.
3. We recommend that the Christian Family be sensitive to its responsibility and opportunity in the recruitment of candidates for the ministry. It is recommended that it display a positive attitude to help inspire rather than discourage young candidates.
 4. We recommend that all pastors attend the Louisiana Area Pastor's School which will be held on the Campus of Centenary College, Shreveport, August 3-6. It is further recommended that each local charge provide the necessary finances for the pastors full participation
 5. We recommend that each local church make budgetary provisions for the pastor's continuing education. It is suggested that one week in each year and one month for each quadrennium be provided for leave of study.
 6. We recommend that each local charge give adequate consideration to full payment of the 2% Ministerial Education Fund. 75% of these funds will be distributed to the several seminaries by the Department of Ministry of the General Board of Education, 25% of the total funds are to be retained in the Annual Conference and distributed by the Conference Board of the Ministry for recruiting, scholarship aid, continuing education, and promotion.
 7. Attention is directed to the Legislation of the 1970 General Conference which deleted Paragraph 349 in the 1969 Discipline and inserted another. The new paragraph provides for Lay Pastors to be ordained under certain conditions. An ordained lay pastor can only administer the sacraments within the confines of his local charge. Under no circumstances is an unordained lay pastor permitted to administer the sacraments.

PEOPLES METHODIST COMMUNITY CENTER

Mr. Chairman, members of the Cabinet, those who are in seats of honor as delegates, those who share as friends, and foes alike, we greet you from the household of Peoples Methodist Community Center, New Orleans District, Louisiana Conference B, in 1970.

This is the time of reflection as we end the decade of the '60's and gaze into the decade of the '70's. What have we seen . . . in the 60's?

If I were as skilled in presenting historical data as Dr. W. T. Handy, Sr., third in a tradition of great leaders of our Center, I would attempt to review the highlights of our movement from its inception in 1922. Realizing, however, that we do not possess the time nor ability for this endeavor I will only point to some of the revelant highlights of the past decade . . . always remembering, if it were not for Bishop R. E. Jones, J. C. Calvin, W T. Handy, Sr., G. W. Carter, R. W. Calvin, and N. P.

Perry, we could not have these 47 years, long endured. The previously mentioned names, all superintendents of our venture, with Bishop Jones as the organizer, gave part of their lives toward writing the illuminating memoirs of Peoples Center.

Progress in the sixties: Settlement Houses, Half-Way Houses, Response Centers are some of the new directed programs that have been initiated for those of us serve the inner city. These programs have occurred in the whole country. Others became concerned about our existing problems. A helping hand came from local, state and federal agencies which enhanced and provided additional facilities, and the know-how for nurseries and day care centers.

Served by a staff of 13 members, under the skilled leadership of R. W. Calvin and N. P. Perry, the decade ended December 1969 with this your servant of humbleness at the helm. Appointed in October, 1969, by Bishop Aubrey G. Walton and Cabinet, and elected by the Board of Directors, I concluded the task that these illustrious forebears had begun January, 1960.

The 1960's brought forth a larger response to the problems existing in the inner city as they are related to the day care movement; an increase of more than 42% in budgetary askings . . . from \$39,000 plus in 1960 to \$63,000 plus in 1969; an increase in the Expansion Fund . . . \$216.21 to \$18,000; an increase in extended facilities and services.

Having vision for the future, 4 years ago the Board of Directors became the delegated agency for a Total Community Action project . . . providing day care centers for working mothers in Central City. We began with 2 centers, now there are 4 with a staff of 53 and an enrollment of 224 children. These centers are sharing a promise to eliminate poverty as well as train children during the formative years . . . ages 2 to 6.

PEOPLES CENTER

There is an increased interest in allied movements . . . youth groups have been organized for athletic activities and study, education classes for adults, the upward classes for the drop-out MYC work participation parent groups meet for study and recreation. We could continue Brethren, but all we ask of you is come and see.

To rejoice, with others, in our assets and increases. If the past decade brought favorable increases and broadened our horizon of services and activities, it brought also the other side of the coin. There are greater needs at the Center. We need an improved staff . . . qualified to cope with the problems of the '70's. We need expanded facilities . . . enrolled are 111 day care students, and a waiting list of over 200. We are in need of repairs and redecoration of present facilities. Our building needs to be secured . . . we have had over 14 break-ins during 1969. We are in need of increases in budget . . . 85% of our staff work for salaries below the minimum wage.

We are counting on a larger response for PMCC Day in September, to show that 160-odd churches can share more than the \$286.60 reported this conference year. Therefore, we have asked that each district superintendent provide us with a minimum number of 125 persons who will

act as advanced promoters of PMCC Day; and that, in promoting this day, we would organize district and sub-district committees and local church committees to aid the cause of receiving an offering of more than \$6,000.00. Remember the month is September, 1970. We know you will and can do this. We need larger donors for our work. Won't you become one of those who are willing to provide fifty cents, or more, per month for the movement?

Now, let us take a glance at our activities and budget for 1969, and budget for 1970.

The decade of the sixties is history . . . replete in some areas with deficiencies, but glowing and electrifying success in others. Now, the seventies! Please let us as a conference dedicate more of our Christian concern for the institution which has done so much with so little.

We are grateful — for the knowledge and inspiration of our Board of Directors, Bishop Walton, chairman, and the 25 members who are laborers with him; to the Board of Missions, Women's Division, who share their concern; to the United Fund who provides 36% of our \$69,000 budget; to the Louisiana Conference B members for your interest and prayers; to all our friends and loyal staff members who joined hands in making this report possible. Thanks be to God for the '60's.

Reported in Prayer,

William S. P. Norris
Executive Director

ANNUAL REPORT LAFON PROTESTANT HOME

To: Annual Conference (B) (Alexandria, La., 1970)

Lafon operates with a licensed capacity of 89. Surveys have shown that help for the needy aged is becoming more intense. Our capacity could be doubled and still the need would be present. Exploration is being made in the area of new and larger facilities.

Lafon has 44 employees on the payroll. 34 regular workers and 10 part time persons make up the operational staff. The payroll cost for the past twelve months has been \$138,071.18. Supplies and other services amounted to \$67,358.41. Our total operation cost have been \$205,429.59. The income for the past year has been \$203,219.73 of which the conference has contributed on Gold Cross Sunday \$310.00.

Occupancy percentage during year	96.6
Present in Home at beginning of year	85
Present average age in the Home	74.6 yrs.
Admitted during the year	44
Left before end of the year	41
Persons served during the year	129
Present in Home at close of year	88

General improvements:

At present we have a revised and more operative Board of Directors.

Overall operational policies and activities are open for general inspection.

New and up to date system of management is forming, utilizing the equipment present on hand.

A program of volunteers and activities is being experimented with. 31 groups (churches, lodges, social clubs, community organizations) have visited the Home. General entertainment, gifts and fellowship have brought great uplift to our residents.

Staff up grading is still an enigma. Added budget increase for more personnel along with rapidly changing federal programs affecting the Home's income and expenditures make very complex today's nursing home operation.

Completed totally new commodities storage area. Required for effective inventories and supply control.

Converted summer sun porch into a year round lounge area. Bricked in porch and installed louver windows on all sides with glass doors.

Secured complete new set of dining room furniture.

Emergency generator restored to operational efficiency and is regularly serviced.

The future looks bright as compared to last year's operation. We hope for added conference help in the area of visitation and financial support.

ANNUAL REPORT OF TRUSTEES

June 8-11, 1970

Bishop Aubrey G. Walton and Members of
Louisiana Annual Conference B:

The Board of Trustees has continued its study of the properties owned by local churches of the Conference. Many of the properties are on land that is not owned by the Congregation and will revert to original owner when a Methodist Church ceases to worship thereon. We have examined some of the abandoned property and effected sale for same. According to the resolution: we sold the property formerly owned by the members of St. Mark Methodist Church. Many abandoned for some seven years. The proceeds of this sale was divided between Mt. Zion at Leesville and Macedonia at Florein. This money was used to make necessary repairs at both churches and since some of their members were members of the now abandoned church, we felt justified in making the grant. We also acted for the members of the abandoned church at Longstreet, formerly known as "Pleasant Grove Methodist Church." The frame building was blown down by the storm four years ago. We sold the one lot to Mr. Samuel Hall and turned the proceeds over to Mt. Zion, Logansport for use in their renovation program.

Therefore, in view of the directives, P.1513-3, we the incumbent Board of Trustees recommend to this Annual Conference the following classes:

1971	1972	1973
J. C. Bibbons	J. W. Wilson	W. R. London, Jr.
T. E. McElroy	Moses T. Jackson	A. E. Franklin
W. C. Patterson	G. Leon Netterville	Acie Belton
Allen L. Brown	Atty. J. E. Hines	Monroe T. Stringer

The above named trustees shall receive, collect and hold in trust for the benefit of the Louisiana Conference-B any and all donations, property, gifts, grants, and bequests until such time as designated by merger and subsequent change of authority by dissolution of the charter of the said Conference.

In regards to the matter of the property located at 1707 Binz Street,

Houston, the executive committee appointed by the Conference effected communications with the Trustees of the Texas Conference. The reply from the Area Assistant, Dr. Robert E. Hayes, Sr., stated that "On April 14, 1970, Dr. F. W. Logan, Chairman, Gulf Coast Conference Board of Trustees, will send to the Conference Treasurer of Louisiana Annual Conference-B a check representing 33 1/3 per cent share of our equity in the property. Dr. Logan will also send a detailed report of the transaction.

Bishop Aubrey G. Walton and Members of the Louisiana Conference B:

Truly we have enjoyed an august conference session in Alexandria, Louisiana. One of Louisiana's great cities. Now we would like to say thank you to all persons responsible for the success of this Conference.

AUDITOR'S REPORT

Louisiana Annual Conference B,
The United Methodist Church,
P. O. Box 8176, Gentilly Station,
New Orleans, Louisiana 70122

Gentlemen:

In accordance with our engagement, we have conducted an examination of certain books and records of the Louisiana Annual Conference B of the United Methodist Church for the period from July 1, 1969 thru December 31, 1969. We now submit our report thereon, including the exhibits and schedule as indexed on the preceding page.

Scope of Examination Exhibits and Schedule

We present in Exhibit "A" a Statement of Assets, Reserves and Surplus as at December 31, 1969, and in Exhibit "B" a Summary of Cash

Receipts and Disbursements for the period under review, supported by Exhibit "C", the Statement of Cash Receipts and Disbursements and Schedule #1, Bank Reconciliation as at December 31, 1969. The latter exhibit shows detailed classifications of the receipts and disbursements. By referring to Exhibit "B", you will note that there was a balance in the City National Bank at July 1, 1969 in the amount of \$60,546.73 and in the First Federal Savings and Loan Association of Scotlandville a total balance of \$17,318.25. During the period ended December 31, 1969 you opened an additional bank account with the National Bank of Commerce in New Orleans. All cash receipts for the period ended December 31, 1969 and all cash disbursements with the exception of the ones during the month of July, 1969, were made thru the National Bank of Commerce in New Orleans. The United States Treasury Notes in the amount of \$50,000.00, purchased in the prior year, were redeemed and deposited in the City National Bank and \$50,000.00 was transferred from the City National Bank to the National Bank of Commerce in New Orleans. At December 31, 1969 your two bank balances had increased to a combined total of \$152,375.24 as shown in Schedule #1, Bank Reconciliations, and your savings accounts had increased to \$17,729.52 so that at this date your total resources amounted to \$170,104.76.

Receipts and Disbursements

All deposits as recorded in the Cash Receipts book were traced to the bank statements. Certain columns in the Cash Receipts book were re-added and the totals of all columns cross-footed and monthly totals were traced to the General Ledger. Receipts from various districts as evidenced by the Treasurer's Report compiled during the period from July 1, 1969 thru December 31, 1969 were traced individually into the Cash Receipts Journal and no differences were found. The total of all maintenance appropriation remittance sheets from the National Division of the Board of Missions submitted for our examination were found to be in agreement with the amounts as recorded in the Cash Receipts Journal.

All paid checks were examined for correct signatures and endorsements and were traced to the Cash Disbursement Journal. Certain columns in the Cash Disbursements Journal were re-added and the totals of all columns were cross-footed. Monthly totals in the Cash Disbursements Journal were then traced to the General Ledger. Disbursements for District Maintenance were compared with the maintenance appropriations received during the period ended December 31, 1969 and, with the exception of under-disbursements of \$225.50, were found to be in agreement. By reviewing certain documentary evidence we have been satisfied that the excess maintenance appropriation was returned to the National Division of the Board of Missions. We also made a substantial test check of the other disbursements, except those for salaries, by examining invoices from the creditors and other documentary evidence. The distribution of the Cash Disbursements balanced with the total checks issued and the bank accounts were reconciled as shown in Schedule #1, Bank Reconciliations.

Verification of all balances in the two bank accounts and in the First Federal Savings and Loan Association were verified by direct communi-

cation with these depositaries and were reconciled to the amounts shown on Exhibits "A" and "B".

Opinion

Based upon the foregoing verifications, we are of the opinion that recorded receipts were accounted for and that recorded expenditures, except those for salaries, were properly made.

May we take this opportunity to express our appreciation for your having entrusted this assignment with us and for the courteous cooperation given us during our engagement.

Respectfully submitted,
CABALLERO and ROGER

VII IN MEMORIAM

We often repeat these words, but find the meaning different when applied to us. Many of our departed brethren this year have repeated this message: "We brought nothing into the world and it is certain we can carry nothing out." It is true men, shocked by the suddenness of this stripping, have sought to evade it. Terrified by the thought of the dead man's poverty, they have placed a few things in the coffin or beside the grave in the hope that they, at least, would accompany the dead man on his way. But the food remains untasted, the dead hand no longer grasps the bow or spear, the silver and the gold remain behind amid the general corruption. "For man is born with his hands clenched; he dies with his hands wide open. Entering the world he desires to grasp everything; departing, all that he had has slipped from him." All we say, except that Grace, peace and understanding love which he found in his Lord. Many of the brethren who fell by the way this year possessed those things that will go along with them, for they believed in Him who was able to walk through the shadows of emptiness and doom.

Rev. Ashley D. Edwards was born September 27, 1908. He married and was a devoted husband. He joined the Conference, November 21, 1943, where he served his Lord with courage and devotion until the hour of his death. It is true his hands were open, but his heart contained so much love for his fellowman that he cannot be seen as dead. He departed this life June 17, 1969. May peace be to his soul and rest to his ashes.

Rev. Simon E. Harris was born in the city of New Orleans, a son and grandson of Methodist preachers. He was married and had two children. He joined the Conference in 1963. A short span for such an eventful ministry. On August 14, 1969 his life was taken and yet his hands were not completely closed for there are those who remember his love for those who were down-hearted and in need of a friend.

REVEREND SAMUEL GEORGE REED, beloved son of Robert and Penny Reed, born in Centerville, Louisiana, January 13, 1899. He married Miss Irene Thomas and had two children. He entered the Louisiana Conference November 16, 1930 and served many of its churches and boards. He passed to his reward with the fact that he carried with him a devoted life to the ministry of Jesus Christ.

REVEREND WESLEY H. DAVIS was born in Thibodaux, La., January 31, 1894 and attended school in New Orleans, La. He was married to Mrs. Lillian. T. Davis and the father of seven children. He entered the ministry in the Louisiana Conference, November 20, 1920, serving faithfully until his retirement in 1965. He passed on, on August 20, 1969 with an assurance that his life was full and with no regrets for his legacy.

REVEREND CLARENCE OSCAR GREENE was born in Bunker Hill, West Virginia, February 2, 1905. He began his ministry in Flint, Michigan in 1937 and was transferred to Louisiana Conference, August

20, 1944. He was married to the former Miss Victoria Courtney, Bunker Hill, W. Va., they had one son. He passed on to his reward, August 20, 1969 and found the peace which he sought for many years.

REVEREND JAMES C. CALVIN was born in Pineville, Louisiana, July 11, 1894. He married Miss Teresa Ann Blackstone in 1952 and to this union, four daughters were born. He served his country as a chaplain, his conference in many and varied capacities. He was received into the Conference, November 21, 1918 and laid down to rest on December 13, 1969. The inner peace for which he sought was found as he journeyed with his Lord trying to help those who were in need.

REVEREND JOSEPH E. BROWN was born in Mansfield, La., January 9, 1885, and was a member of Shady Grove Methodist Church. He married Miss Ella V. Bennett and lived together devoted to each other. He began his Christian ministry in November 21, 1924, serving as pastor, district superintendent and officer of the Conference. He retired from the active ministry in 1956 but remained active in church work. On February 13, 1970 the summons from on high called him home. He brought him a full account of his work.

ANDERSON C. TRICE was born in Mississippi, November 11, 1889, and was married to Miss Daisy G. Trice, December 1, 1961. He was received by transfer from Mississippi Conference on June 7, 1959. He entered the ministry in Louisiana 1933 and transferred out then back again. He served many stations in Mississippi and Florida. On May 18, 1970 his name was called and as he always practiced he answered to the roll.

The wars are not always won by the front line soldiers, those in trench can claim some victory too, so it was with CLIFFORD L. FRANKLIN, who started his ministry November 21, 1943. He was a native of New Orleans, born December 23, 1913. He passed on to the place of perfect rest on December 25, 1969.

Another soldier who knew not the meaning of defeat was ARTHUR L. WHITE, born October 20, 1911. He was married to Mrs. Willie Mae White and two children were born to this union. He began his ministry November 18, 1941 and served many churches in Louisiana. He was a builder of houses of worship as well as souls of men. On January 25, 1970, he passed from this field of labor to the rest he worked so hard to obtain.

ELISHA DOTSON was a preacher of very few words. He was born July 12, 1890 and united with the ministry, November 18, 1938, he served until his retirement in 1961. Then in July 7, 1969 he heard the familiar voice calling his name, he answered and went home to be with the God he had proclaimed so long.

The voices of these men are now still, their messages still linger in our ear. Just the memory of their deeds, the knowledge of their warm fellowship makes us to know that they did not leave this world empty handed. Until we meet dear brothers, until we meet.
